

LEGO ROBOTICS

after school classes

@Clayton Elementary

Session 1: 1/23, 1/30, 2/6, 2/13, 2/20, 2/27

Session 2: 4/3, 4/10, 4/17, 4/24, 5/1, 5/8

Thursdays ~ 3:10pm-4:30pm ~ K-5th ~ \$240

Join us for hands-on STEAM learning and fun! We will build and code many different types of robots using LEGO Education kits. All robots have motors and sensors, easy-to-follow instructions, and an intuitive AP using icon and word block coding. No experience necessary, K-5. Weekly for 6 sessions. 1 hr 20 mins per session. Whether you're new or returning, there's something for everyone!

We are also offering a SPRING BREAK camp, 3/17- 3/21, at Circle C Community Center and Lakeway Activity Center - check out our website for more information!
